### **Advancing Community Together (ACT) for 2020**

Opportunity Statements for Community Discussion and Prioritization

Purpose: Summary reports of the top two to four weaknesses and opportunities for improvement in the Salina area identifying specific strategies and actions to be taken by certain date to achieve meaningful and measurable goals for improvement. These statements will be used to prioritize opportunities for advancing the Salina area together by combined community resource development.

### **Identifying community change strategies that will bring about measureable change**

How was this problem or opportunity identified?
