

STRENGTHENING OUR COMMUNITY

November 9, 2015

Dr. Michelle Nunes
Salina Family Healthcare Center

As you can see from the above, YOU are a huge part of our equation! Our board and volunteers have been working hard this past year to broadcast the mission of the Salina Area United Way. We have also completed the next step in our evolution to an organization that is facilitating broad impact in the community. Attached you will find a short description of the 7 collaborative projects that community members just like yourselves have chosen to fund. These 7 projects represent over 70 different agencies, organizations and groups who are committed to STRENGTHENING OUR COMMUNITY.

However, we can't do it without resources! Please consider joining our ever-growing group of doctors in the Salina area by making a commitment to donate \$1000 annually. Imagine... if 100 DOCS contribute every year, we would raise \$100,000 to support:

Education collaboratives working to raise the graduation rate,

Income programs to increase financial stability among families, and

Healthy activities for youth and adults and access to care

Please return the enclosed card to our office with your pledge or contribution, or to your Human Resources Department for payroll deduction. As always, your gift is tax-deductible and helps to STRENGTHEN OUR COMMUNITY!

In Strength,

128 N Santa Fe Ave #3
Salina, KS 67401
