SALINA AREA UNITED WAY

OUR MISSION: Salina Area United Way's mission is to **improve lives** and **strengthen the community** through Education, Health and Financial Stability.

We must Live United.

People in our community are in greater need than ever before. The statistics prove that increasing poverty rates and poor child literacy are just two examples. That's why the Salina Area United Way is investing its funds in **health, education, and financial stability** to help our community by:

Preparing for Life

The success of our children and youth depends on all of us Living United and working together as a community. By mentoring relationships, structured out-of-school time, and guidance to healthy choices, we can all help our youth grow into healthy adults.

Building Self Reliance

Access to information and services helps everyone to become self-sufficient. From family support to volunteering, from transportation options to housing, United Way partners to help each member of the community toward maximum independence.

Rebuilding Lives

Even strong families can have a crisis. When we extend a hand to help those affected by disasters, domestic violence, family crisis, or economic hard times, they get the help they need to live healthy, functional lives.

Providing Basic Needs

Whether it be food and shelter, health care and prescriptions, or mental and physical support, we invest in programs and services that preserved economic stability and quality of life for the whole community.

Salina Area United Way wants to help everyone Live United by encouraging our community to **give, advocate, and volunteer**. Community problems affect all of us in some way. United Way is leading the charge to find the root cause of the problem. **Your help is needed in this endeavor.**
